

The Elementary K-6 Online Content Review Module is designed exclusively for Florida educators.

The Elementary K-6 Online Content Review Module, funded by the Bureau of Exceptional Education and Student Services is designed to help educators review their knowledge in the areas of Language Arts, Reading, Mathematics, Science, Technology, Social Science, Physical Education, Health, Visual Arts, and Music as required in the Elementary K-6 certification exam.

Target Audience:

- ESE certified educators teaching basic education courses to students with disabilities in grades K-6, who need to obtain Elementary K-6 Certification to comply with requirements of No Child Left Behind (NCLB).
- Elementary certified general educators teaching basic education courses in grades K-6, who need to obtain Elementary K-6 Certification, to comply with requirements of NCLB.
- Elementary K-6 administrators seeking a resource to share when discussing content competencies required by new teachers teaching core content to all students in grades K-6.

Module Features:

- | | |
|---------------------------------------|--|
| * Self-paced online content review | * Comprehensive |
| * Maintains demographic information | * User-friendly |
| * Free of charge to Florida Educators | * Provides twelve weeks for content access |

While the content covered in this review module is extensive, it does not replace the need for an appropriate, comprehensive study of each subject. Completion of this online module does not guarantee a passing score on the certification exam. Instructional support and in-service credit are not available with this module.

Participants will be required to register through the FDLRS Administration/HRD Project.
